

It can thus be seen that the names of the National Leaders after whom these Elementary Schools were being called have been retained and not done away with as alleged in the Call Attention Notice.

TWENTY FIFTH REPORT OF THE BUSINESS ADVISORY COMMITTEE.

SRI M. NAGAPPA:—I am on a point of order Sir. The Business Advisory Committee report which is laid on the Table of the House reveals that Saturday being a non-official day, has been allotted for transacting official business. It is in constavention of Rule 28 reads as thus.

The Speaker, after considering the state of business of the Assembly, may allot so many days as may in his opinion be possible, compatibly with the public interest for Private Members business and may allot different days for the disposal of different classes of such business, and on days so allotted for any particular class of business, business of that class shall have precedence. on other days no business other than Government business shall be transacted except with the consent of the Leader of the House.

Provided that the number of days so allotted shall not be less then tow days for every fourteendays on which Government business is transacted.

Provided further that on a motion made by a Minister for the suspension of this rule the Asseembly may resolve to transact Government business on a day allotted for non-official business, in which case the time so used shall be made available for the transaction of private members business on such other day allotted for Government business as the Speaker in consultation with the Leader of the House may determine.

Even this proviso says it can be suspended provided another day is allotted for non-official business. Therefore, the Business Advisory Committee has no right to take away that right. The Minister has to move for the suspension of the rule so that official business can be taken up on such day. Therefore, this matter may be referred back to the Business Advisory Committee and the Committee may reconsider that matter.

MR. SPEAKER:— I have heard the Hon. Member. He has probably not touched the last proviso and it says like this.

(Mr. SPEAKER)

" Provided further that the Speaker may in his discretion permit transaction of Government business on a day allotted for non-official business.

Here no motion need be made by the Minister. The Speaker can use his discretion and permit Government business to be transacted on a day allotted for non-official business. Though the power is there it does not mean the Speaker is expected to use it in an arbitrary manner. I take the House and the Business Advisory Committee, into confidence. The Business Advisory Committee after taking into Consideration all aspects has decided like that. It can be compensated by giving some more days for non-official business, if not in this session atleast during next session.

SRI M. NAGAPPA:— This assurance was given during the last session also. But nothing was done. You actually promised that the days lost for this non-official business will be compensated. But what happened?

MR. SPEAKER:— I make a further promise now that all the days which have been promised so far and which have not been given will be made good.

SRI NAGAPPA.— I am sorry to observe that it is a breach of the rule.

MR. SPEAKER.— As far as I say there is no breach of any rule.

I Present the 25th Report of the Business Advisory Committee.

SRI D. MANJUNATH.— I move it that the House agrees with the 25th Report of the Business Advisory Committee.

SRI M. NAGAPPA.— I have got an amendment. I move.

That instead of official business on non-official day i.e., on 17th October 1970 non-official business may be taken up,

MR. SPEAKER.— I Shall Put the amendment to the vote the question is.

(The House divided)

ಶ್ರೀ ಎಸ್. ಚೆನ್ನಯ: ಹಾಗಲ್ಲ, ಅಲ್ಲಿ ಬಿಜೆಪಿಸ್ ಅಡ್ಡೈಜರಿ ಸಮಿತಿಯಲ್ಲಾದ ತೀರ್ಮಾನವನ್ನು ಬದಲಾಯಿಸುವುದು ಬೇಡ ಎಂದು ನಾವು ತೀರ್ಮಾನಕ್ಕೆ ಬಂದುದರಿಂದ ಇದಕ್ಕೆ ಒಪ್ಪಿಕೊಳ್ಳಬೇಕಾಯಿತು, ಅಷ್ಟೇ.
